

LGX^{tra}[™]

1U RACK MOUNT FIBER PATCH PANEL

PDS-0119

DESCRIPTION

Wirewerks LGXtra 1U Rack Mount Fiber Patch Panel can house up to 3 LGX modular cassettes or fiber adapter strips. It provides a flexible system for managing fiber terminations and connections in a data center, headend, or telecommunication room. The patch panel is made of 16 gauge cold rolled steel (CRS) with a black powder coated finish. Equipped with a sliding drawer and a removable back cover, it allows a simplified front access, inside-panel manipulation and splices.

**FEATURES
and BENEFITS**

- Sliding drawer for easy front and rear panel access
- Front and back cable entry and strain relief
- Fits 3 LGX adapter strips or cassettes
- Installation hardware included
- Compatible with 19" and 23" racks and cabinets

APPLICATIONS

- Entrance Facility
- Data Center
- Telecommunications Room
- Equipment Room
- Consolidation Point
- Central Office
- Cellular Tower Base Station
